# 3SB STUDIO RULES

## Non-Compete Clause

Due to the increase in hip hop companies in Edmonton and surrounding areas, we want to ensure we are not competing against our own students at competitions and that our training and investment into our students is protected. We believe this will also help our students focus on growing and developing their skillset, performance and bonding with their peers. Any new student starting hip hop dance classes at 3SB Studios cannot compete with any other Studio or Company. The only exception applies to students who have previously been enrolled at other studios in the past.

## Absences

Please email "your teachers name"@my3sb.com to notify your teacher. If you have more than 2 un-verified absences, the teacher will remove you from the current combo they are working on.

## Cancellation Procedure

Only a written notice via email, or hand delivered to our front desk from the account holder or parent/guardian will be acceptable. This must be received 1 week prior to the end of a month. On November 30th all costume and competition fees become non-refundable. There is no refund for missed or prepaid classes.

## No Pay - No Dance

If a late fee goes unpaid for more than 30 days, the student will not be allowed to dance until the account is fully cleared up. This includes competing in competitions.

## Paying Your Monthly Fees

All students must set up an automatic monthly payment plan. Options are:

- ✓ Via your online account in the Payments Area with credit card.
- ✓ Post Dated Cheques for the year

Sorry! We do not accept monthly cash payments.

## Studio

- No Food or Drinks, other than water, allowed in the studios.
- Any lost or missing items are the responsibility of the student. We cannot keep lost & found items.
- All students must have clean inside shoes; no street shoes in the studio to maintain our flooring.
